

## Quote of the month

„The median salaries of employed driving instructors increased by over 12% between 2020 and 2022. In the development of median salaries in eastern Germany, we see a salary development that is over 2% higher than in the western federal states. The average median salary of employed female driving instructors has also risen by over 2% more than that of their male colleagues.“

**Jörg-Michael Satz**, President MOVING International Road Safety Association e. V.

## Development of the median salaries of driving instructors

Between December 2020 and December 2022
