

Quote of the month

„In the period from January 2023 to January 2024, the average cost of a car driving licence rose by 11% to €3,070. The sharp rise in staff costs - partly due to the shortage of driving instructors - as well as the significant increase in the cost of training vehicles have forced driving schools to adjust their prices accordingly and pass them on to end consumers.“

Jörg-Michael Satz, President MOVING International Road Safety Association e. V.
